The Honorable Tom Cole  
H-307 The Capitol  
Washington, DC 20515

The Honorable Rosa DeLauro  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for **Drinking Water System Resiliency Improvements** in Fiscal Year 2027. The entity to receive funding for this project is the **City of Grand Ledge**, located at **310 Greenwood Street, Grand Ledge, MI 48837**. The project is an appropriate use of taxpayer funds because it will improve the reliability and resiliency of the City's drinking water system, reduce the risk of service disruptions, and ensure continued access to safe, clean drinking water for residents and businesses in Eaton County.

This project has a federal nexus because it is for the purposes authorized in **Section 1452 of the Safe Drinking Water Act (42 U.S.C. § 300j-12)**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Barrett  
Member of Congress
