The Honorable Tom Cole
H-307 The Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Highway Infrastructure Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Clinton County Road Commission, located at 3536 South U.S. Highway 27, St. Johns, MI 48879. The funding would be used for the reconstruction and safety improvement of Grange Road.

The project is an appropriate use of taxpayer funds because it will improve roadway safety, enhance mobility for residents and agricultural producers, support reliable transportation for commercial and emergency vehicles, and strengthen critical infrastructure serving rural communities in Michigan's 7th Congressional District.

The project has a federal nexus because the funding provided is for purposes authorized by **23 U.S.C. § 133**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Barrett
Member of Congress
