The Honorable Tom Cole
H-307 The Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Fire Station Replacement and Public Safety Facility Improvements in Fiscal Year 2027. The entity to receive funding for this project is **Lansing Charter Township, located at 3209 W. Michigan Avenue, Lansing, MI 48917**. The project is an appropriate use of taxpayer funds because it will improve emergency response capabilities, enhance public safety, and ensure reliable fire and emergency medical services for residents in a rural community and surrounding service areas.

This project has a federal nexus because it is for the purposes authorized under the **Consolidated Farm and Rural Development Act (7 U.S.C. § 1926(a))**, which supports the development of essential community facilities in rural areas through the USDA Rural Development Community Facilities Program.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Barrett
Member of Congress
