The Honorable Tom Cole
H-307 The Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Highway Infrastructure Improvements in Fiscal Year 2027. The entity to receive funding for this project is the **Ingham County Road Department, located at 301 Bush Street, Mason, MI 48854**. The funding would be used for the reconstruction and safety improvement of Marsh Road between West Lake Drive and Haslett Road.

The project is an appropriate use of taxpayer funds because it will improve roadway safety, reduce congestion, enhance access to schools and community amenities, and support reliable transportation for residents, families, and emergency services in Michigan's 7th Congressional District.

The project has a federal nexus because the funding provided is for purposes authorized by **23 U.S.C. § 133**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Barrett
Member of Congress
