The Honorable Tom Cole
H-307 The Capitol
Washington, DC 20515

The Honorable Rosa DeLauro
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for **Water Infrastructure Improvements** in Fiscal Year 2027. The entity to receive funding for this project is the **Village of Westphalia**, located at **108 E. Main Street, Westphalia, MI 48894**. The project is an appropriate use of taxpayer funds because it will ensure the continued delivery of safe, reliable drinking water, address aging infrastructure, and protect public health for residents in Clinton County and surrounding communities.

This project is eligible for funding under the **Safe Drinking Water Act (42 U.S.C. § 300j-12)**, which authorizes the Drinking Water State Revolving Fund (DWSRF). The proposed activities—including upgrades to public water system infrastructure—fall squarely within eligible uses of DWSRF funding to ensure compliance with national primary drinking water regulations and to protect public health.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Tom Barrett
Member of Congress
